

Winners Show 2018

Dear Members,

After much deliberation, due to the current situation regarding obtaining clarification around Statute 2.6 and waiting for a decision on exceptions for our members that require them, the Executive Committee and Show Commission have taken the difficult decision to postpone the 2018 Winners Show.

It is clear that the current situation will not be resolved before the closing date of the show, as the next FIFe Board meeting is not until the 13th January 2018, and we want all of our members that have qualified cats for the show during 2017 to be able to attend with their cats, if possible.

The Winners Show will therefore now take place on Sunday 15th April 2018. We are pleased to confirm that the venue will remain unchanged and Mrs Dorte Kaae and Mrs Sarah Johnson will still be judging at the show. Unfortunately Mr Yan Roca-Folch is not available for the new date and we will advise you of the third judge once that has been confirmed.

The Executive Committee apologise for the short notice of this notification; however, this has been outside of our control, as recent circumstances have developed, and it has not been taken without considerable deliberation. We hope that you understand that this decision has been made taking into account all of our members. Qualification for this show remains unchanged, cats must have qualified within the 2017 show year.

The only exception to this will be kittens in Class 11 on the new show date of 15th April that could have attended the January Winners Show in Class 12 without qualifying. The Executive Committee have sanctioned an exception for 2018 only to allow kittens born between the 20th June and 21st September 2017 to enter Class 11 at the Winners Show 2018 without qualifying.

Fees that have already been paid for the original date can either be transferred to the new show date or will be refunded - please notify the Entry Clerk, Fran Williams if you require a refund and this will be arranged as a matter of urgency.

A new schedule for this show will be uploaded onto the Felis Britannica website by the end of January 2018.

Apologies again for any inconvenience this decision may have caused. If you have any questions please direct them to your Club Secretary to pass on to the General Secretary and we will endeavour to answer them as soon as possible.

Kind regards

Debbie
