Strictly Knockout

This is a special side class that will happen at every show and at the end of 2024 we will have our top 10 cats, points added from each show. This is due to the lack of knockout possibilities for this year 2023

Special thanks to our knockout sponsors ProtectaPet

Indoors or Outdoors? What are your thoughts ?
Cats love the enrichment of the outdoors but owners can worry about their safety. But you can choose the best of both worlds with a cat proof garden. Cat fencing provides-

- 🏠 Safe outdoor access
- 👨‍🦱 🚫 Prevents accidents and injuries
- 😡 Prevents territorial disputes & fighting
- 🦋 Peace of mind for owners
- 👉 Better relationships with neighbours
- 🐕 Deters pet thieves
- 🐛 Reduces exposure to parasites
- 🐦 Reduces territory to hunt
- 🦠 Reduces exposure to viruses and diseases

Strictly Cats have partnered with ProtectaPet, the UK's leading cat fencing experts, to offer £50 discount on orders for Cat Fencing of £400+. Promo Code STRICTLYCATS

How it Works

Round 1

This is the first round where all the entered cats go up against each other. This will be 2 cats unless you are the last ones and we have an odd number then it will be 3 cats with one winner still. Your cats number will be entered into a bucket with all the other cats that have entered. Then we will randomly draw 2 numbers from the bucket to go up against each other. The judge will then knockout one of the 2. The winner will go onto the next round.

Round 2

This round will consist of all the winners from round one again competing against each other. They will be drawn randomly from the bucket again and compete against each other to go through to the next round.

Each round will be the same except that if we have an odd number the last draw may consist of 3 cats with only one winner, but this is the luck of the draw.

Round 3 to Final

So as previously for round 3 you will have won in round 2 to compete again. These rounds will continue until we have our final round with our overall winner being announced.

Remember each round is a quick knockout round and the judge will purely pick their favourite from the cats presented without an explanation due to time constraints.

However the last round the judge will give an explanation as they announce the final winner.

Prizes & Winners

If you are successful in making it to the last rounds then you will be issued points for your placement. You will get a point for every cat you beat and the top cat will get an extra 5 points with the runner up receiving an extra 2.

The leader board will be placed on the website and added to, with each show that we have.

By the end of the show season we will announce the top 10 cats and each will receive a small gift and rosette.

For this to be a great success we need you all to enter and the more entries we get the better the prizes for the winning cats.
